

BIO-YIELD-LX

Bio-Yield-LX can be added to poultry drinking water to suppress ammonia in the birds' digestive system which reduces the level of ammonia in the poultry house. Bio-Yield-LX can also be sprayed over litter beds to reduce toxic gases and level of ammonia in the litter.

PHYSICAL CHARACTERISTICS

Color	Brown
Form	Liquid
Solubility	Completely soluble in water
Package Type	1 Gallon OR 2.5 Gallon bottle
Package	4 - 1 Gallon (9.6 lb/4.35 kg) bottles per box (38.4 lbs/17.41 kg) OR 2 - 2.5 Gallon (24 lb/10.88 kg) bottles per box (48 lbs/21.77 kg)
Volume	128 fl oz (3.785 L) OR 320 fl oz (9.46 L)

SAFE HANDLING & STORAGE

Store in a dark, cool, dry room (40-80 degrees F or 4-26 degrees C). Do not allow to freeze. Do not leave container open for long periods of time. Not for human consumption. Keep out of reach of children. Do not reuse container. Refer to the SDS for more detail. Concentrated product. Use only as diluted product according to label directions. For oral use in animals only. Manufacturer accepts no liability for improper use, handling or storage.

Shelf Life: 2 years after the date of manufacture

DIRECTIONS FOR USE

POULTRY

All Drinking Water: Mix 2.5 ounces in a two-gallon stock solution and meter at 1/128. OR mix 8 ounces per 1000 gallons of water for broilers, turkeys, chickens, layers, ducks, geese, quail, and pheasants.

Litter Application: Spray at a rate of 6 oz per 1000 sq ft of house, apply twice a week over the litter until the odor and toxic emissions are reduced to an acceptable level. Use on the litter can be stopped once desired ammonia level and/or odor level has been achieved. To obtain an even product distribution, it is recommended to dilute Bio-Yield-LX in water at a ratio of 10 to 1, or as needed.

Feed Application: Use Bio-Yield-LX in the animals feed on a continuous basis at 2 –4 oz per finished ton of feed to help reduce ammonia levels.

May be run in conjunction with Zinpro Performance Minerals® programs for increased feed and water nutrient absorption and utilization.
