

PRODUCT INFORMATION SHEET

ProFusion® Drench for Beef Cattle

Zinpro® ProFusion® Drench for beef cattle is formulated to provide a multi-day feeding of essential trace mineral and other nutrients lost by cattle during vaccinating, weaning, shipping, receiving, handling and other periods of decreased food and water consumption.

TYPICAL ANALYSIS

MINERALS	Zinc	1.9%
	Manganese	1.0%
	Copper	6,500 ppm (0.65%)
	Cobalt	385 ppm (0.0385%)
	Selenium	40 ppm (0.004%)

VITAMINS	Vitamin E	2,080 IU/lb
----------	-----------	-------------

PHYSICAL CHARACTERISTICS

Color	Blue
Form	Liquid
Density	9.93 lb/gal / 1.19 kg/L
Solubility	Soluble in Water
Package Type	Gallon Jug
Package Weight	10.38 lb / 4.70 kg
Volume	128 fl oz (3.785 L)

SAFE HANDLING & STORAGE

Store in a dark, cool, dry room (between 40 – 80°F [4 – 26°C]). Do not allow it to freeze. Do not leave the container open for long periods of time. Use only as according to label directions. Do not mix Zinpro® Specialty Products® with other nutritional supplements or chemicals without first testing compatibility. Manufacturer accepts no liability for improper use, handling, or storage. For oral use only. Keep out of reach of children. Not for human consumption.

Shelf Life: 2 years after the date of manufacture.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USE.

BEEF CATTLE	All	For beef cattle weighing less than 600 lbs.: Provide orally at the rate of 5 mL/100 lbs. of body weight. Only use a shorter calf nozzle on an application device.
		For beef cattle weighing 600 lbs. or greater: Provide 30 mL orally using appropriate applicator.

CAUTION: Follow label directions. The addition of feed of higher levels of this premix containing selenium is not permitted.

CAUTION: Do not feed to sheep.

CAUTION: Drenching requires a specific process and procedure to ensure safety. If the drenching process or procedure is not properly followed (including use of **only** the Zinpro approved applicator), the incorrect process or procedure can lead to injury or death, with risk increasing in calves under 500 pounds. Zinpro is not liable for any damage or death caused by incorrect applications.
