

TRAFFIC C.O.P.

TRAFFIC C.O.P. powder is a sanitizer designed for use in foot pans to enhance biosecurity efforts for all commercial and industrial manufacturing and processing facilities for animals, food and feed. TRAFFIC C.O.P. is certified by NSF International (Category C1) for use in non-processing areas of production facilities.

PHYSICAL CHARACTERISTICS

Color	White
Form	Powder
Particle Characteristics	Dry free flowing, hygroscopic powder
Package Type	2 gallon pail
Package Weight	18 lb / 8.16 kg

DIRECTIONS FOR USE

Add as needed to foot pan. For optimum results, apply to obtain a ½" depth of powder. Do not overfill. Remove organic matter and debris from the foot pan daily; change powder at least once every two weeks to maintain the desired benefits.

WARNING: NOT FOR ORAL CONSUMPTION by humans or animals.

SAFE HANDLING & STORAGE

Store in a dark, cool, dry room (40-80 degrees F or 4-26 degrees C). Do not allow to freeze. Do not leave container open for long periods of time. Not for human consumption. Keep out of reach of children. Do not reuse container. Refer to the SDS for more detail. Concentrated product. Use only as diluted product according to label directions. Manufacturer accepts no liability for improper use, handling or storage.

Shelf Life: 2 years after the date of manufacture
